

Message of State Chief Commissioners

Dear all,

“Come & Join us. Let’s change the world and make it a better and safer place to live in”.

I appeal to all the Commissioners and Adult Leaders to provide the adequate opportunities to the Youths so that they are able to join this wonderful movement in large numbers.

I earnestly appeal to all the Youth members of this organization to work, inspire and set such an exemplary example in front of the young members that they hold you in high esteem and inspire them to touch the higher standards in their life also.

Yours in Scouting

(Mrs. Seema Jaunsari)
