**SUB: - RELEASING OF ACTIVITY PACK ON ADOLESCENT HEALTH -  
"HEALTH HARMONY"**

Dear Sir/Madam,

Greetings from the Bharat Scouts and Guides, National Headquarters.

We are pleased to introduce the "Health Harmony" Activity Pack, developed with the support of UNICEF, Madhya Pradesh under the Project Climate Leader Action Plan (CLAP). This activity pack is designed to educate and engage our BSG Climate Leaders, including Scouts, Guides, Rovers, Rangers, and Unit Leaders, on crucial aspects of health: anemia awareness, hand washing hygiene, and heat wave safety.

Our objectives are:

- To empower our Climate Leaders with valuable knowledge and practical skills.
- To enhance individual and community well-being through educational activities.
- To promote awareness of anemia, hygiene practices, and heat wave safety.

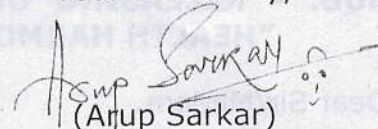

The members are requested to complete all the activities. The best 100 participants who have completed the maximum number of activities (at least 11 activities) as per the Activity Pack and reported first will get a beautiful T-shirt, CLAP patch, and certificate. Participants who complete at least 08 (eight) activities will get a national-level participation certificate.

Don't forget to share your action Pics/videos/reels activity-wise on social media with short details of activities regularly by using hashtags #clap #unicef #bsgindia # anemia #beattheheat #summersafety #handwashing #cleanhands.

We requested all the State Associations to inspire and motivate Cubs, Bulbuls, Scouts, Guides, Rovers, Rangers, and Unit / Adult Leaders to participate and complete the activity pack and submit the report to National Headquarters, New Delhi at email ID [clapbsg@gmail.com](mailto:clapbsg@gmail.com) by 31<sup>st</sup> July 2024. More details about reporting are mentioned in the activity pack.

Thanking you,

Yours Sincerely,

(Arup Sarkar)  
Deputy Director of Scouts  
(Boy Programme)

### **SUB: - CELEBRATION OF VAN MAHOTSAV UNDER PROJECT CLAP**

Dear Sir/Madam,

Greetings from the Bharat Scouts and Guides, National Headquarters.

Climate change poses significant challenges to our environment, affecting weather patterns, sea levels, and biodiversity. The increasing concentration of greenhouse gases in the atmosphere is a major factor contributing to global warming and climate instability. This year, we are all experiencing the effects of climate change more than ever before. As an organization we are committed to the well-being of our planet and BSG has already addressed and working on the Climate Change issues through various projects.

One of the most effective ways to mitigate climate change is through tree plantation. Trees absorb carbon dioxide, one of the major greenhouse gases, from the atmosphere. By planting more trees, we can help reduce the overall concentration of greenhouse gases, thereby stabilizing the climate. Trees also provide numerous other benefits, such as improving air quality, conserving water, preserving soil, and supporting wildlife.

Considering this, we are pleased to inform you that the Bharat Scouts and Guides, National Headquarters will celebrate the upcoming Van Mahotsav, an annual tree-planting festival celebrated across India. Van Mahotsav will be organized from 01<sup>st</sup> to 07<sup>th</sup> July 2024 by the members of the Bharat Scouts and Guides with the slogan "Each One Plant One" tree.

Like every year this year also, we aim to make the event more impactful by involving State/District Forest Departments and various stakeholders, including educational institutions, non-governmental organizations and local communities.

The proposed schedule for the celebration is from 01<sup>st</sup> July 2024 to 07<sup>th</sup> July 2024. During this week, we plan to organize the following activities such as:

1. **Mass Tree Plantation Drives:** Encouraging community participation in planting trees specially Neem as it has been declared as the "Tree of the 21<sup>st</sup> century" by the UNO and other plants in urban and rural areas.
2. **Tulsi Plantation Drives:** Tulsi, known as Holy Basil, is celebrated for its medicinal properties and its unique ability to release Ozone (O<sub>3</sub>) into the atmosphere, improving air quality. We invite everyone to plant Tulsi in their gardens, balconies or community spaces. After planting, geotag your Tulsi plants on Google Maps to help us track and visualize the impact of our efforts. Share your plantation stories and photos on social media with the hashtag #VanMahotsavTulsiDrive. Let's plant as many Tulsi plants as possible and contribute to a greener, healthier planet.
3. **Awareness Campaigns:** Conduct awareness rallies at various levels, and exhibitions to educate the public about the environmental benefits of trees.
4. **School and College Programs:** Involving students in essay writing, poster making and debates on topics related to forest conservation and the importance of afforestation.
5. **Community Participation:** Engaging local communities in maintaining and protecting newly planted saplings.

All the State Associations are requested to contact State and District Forest officers and request them to provide free-of-cost saplings for Van Mahotsav. We seek your support in facilitating the smooth organization of these activities.

We request all State Associations to issue directives up to the group/unit level for the grand celebration of Van Mahotsav. Together, we can make a significant contribution towards creating a greener and healthier environment for future generations.

Kindly use this link - [Van Mahotsav Report Submission](#) and submit your report by 10<sup>th</sup> July 2024. The best reports will be recognized by the Bharat Scouts and Guides, National Headquarters.

Let us join hands for Mother Earth and take a step towards a sustainable future.

Yours in Scouting,

**ARUP SARKAR**  
Deputy Director of Scouts  
(Boy Programme)

### **SUB: MONSOON MIRACLES: SEED BALLS TO COMBAT CLIMATE CHANGE**

Sir/Madam,

**Greetings from the Bharat Scouts and Guides, National Headquarters.**

In continuation of our efforts to address climate change and in alignment with the upcoming Van Mahotsav celebrations, the Bharat Scouts and Guides, National Headquarters, encourages all State Associations and their stakeholders to actively participate in the preparation and use of seed balls at the district, local, and unit levels. This initiative aims to engage youth in meaningful activities that contribute to environmental conservation and climate change mitigation.

#### **Why Seed Balls?**

Seed balls are an effective and low-cost method to reforest degraded lands, combat soil erosion and promote biodiversity. They are easy to make and can be dispersed in areas where traditional planting methods are challenging. By involving our youth in this activity, we can instill a sense of responsibility towards nature and empower them to take concrete actions for a greener future.

#### **How to Prepare Seed Balls:**

##### **Materials Needed:**

- Seeds (preferably native species)
- Clay
- Compost or soil
- Water
- A mixing container

### Steps to Prepare Seed Balls:

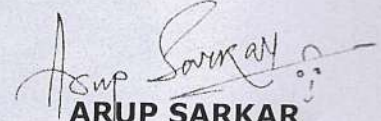

- ✓ **Collect Seeds:** Choose native seeds like Tulsi, Jamun, Amla, Behada, Neem, Mango etc. that are suitable for your local climate and soil conditions. Native species are more likely to thrive and support local ecosystems.
- ✓ **Prepare the Mixture:** In a mixing container, combine 1 part seeds, 3 parts compost or soil, and 5 parts clay. The compost provides nutrients, and the clay helps to bind the mixture together.
- ✓ **Add Water:** Slowly add water to the mixture until it has a dough-like consistency. Be careful not to add too much water; the mixture should be moist but not too wet.
- ✓ **Form the Seed Balls:** Take small amounts of the mixture and roll them into balls, approximately the size of a marble. Ensure that each ball contains at least one seed.
- ✓ **Dry the Seed balls:** Place the seed balls in a dry, shaded area for 24-48 hours, allowing them to harden. This step is important to prevent mold growth and ensure the seed balls are ready for dispersal.
- ✓ **Dispersal of Seed Balls:** Once the seed balls are prepared, they can be dispersed in areas that need reforestation or greening. Encourage the youth to take part in seed ball dispersal during Monsoon and beyond. This activity can be incorporated into tree plantation drives, nature walks, and other community events.

We request all State Associations to promote the preparation and use of seed balls through workshops, demonstrations, and hands-on activities at the district, local, and unit levels. Your cooperation in mobilizing resources and engaging local communities will be crucial to the success of this initiative. Share your good work through print and social media by using hashtags #BSGIndia #Seedballs #CLAP #Climatechange #UNICEF. Also, send the report to [pro@bsgindia.org](mailto:pro@bsgindia.org) for publication in the BSG magazine and BSG news.

Together, we can empower our youth to be active participants in the fight against climate change and create a sustainable environment for future generations.

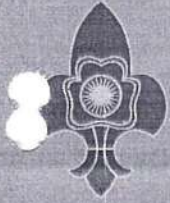

Thank you for your cooperation.

**Date : 01/07/2024**

### **SUB: ACTIVITY PACKS FOR INTERNATIONAL DAY OF PEACE CELEBRATION ON 21<sup>ST</sup> SEPTEMBER, 2024 – Reg.**

Dear Sir/Madam,

#### **Greetings of Peace!**

We are confident that with over ten years of successful International Day of Peace celebrations every 21<sup>st</sup> of September, most of you already have it in your annual calendar and have started planning for this year's celebration.

The Theme for the International Day of Peace 2024, "**Cultivating a Culture of Peace**" aligns with the 25<sup>th</sup> anniversary of the United Nations General Assembly's adoption of the Declaration and Programme of Action on a Culture of Peace. This milestone underscores that peace is more than simply the absence of conflict; it requires an active and inclusive effort to foster dialogue, mutual understanding, and cooperative conflict resolution. The theme draws on the principle that "wars begin in the minds of men so it is in the minds of men that the defences of peace must be constructed" (Constitution of UNESCO), highlighting the need to instill peace-mindedness in children and communities through both formal and informal education across countries and generations.

Under the umbrella of Messengers of Peace Initiative, for the last 10 years, **The International Day of Peace** is celebrated by Scouts, Guides, Rovers and Rangers as a day of creating awareness, inspiring young people, and leaders to make it a commitment day for year round peace actions. We are proud to say that this day has been awaited by many as it engages young people in large numbers and creates the positive visibility for Scouting/Guiding.

Established in 1981, International Day of Peace is observed annually around the world every 21<sup>st</sup> of September. The UN General Assembly has declared this as a day devoted to strengthening the ideals of peace through observing 24 hours of non-violence and ceasefire. Let us join hand together and celebrate the ensuing International Day of Peace on 21<sup>st</sup> September, 2024 in a befitting manner at all levels.

#### **Goal for International Day of Peace 2024**

Although activities may vary from State to State, our goal for this day is to involve **a large number of young people in peace actions/activities at all levels** with the objective of creating **massive awareness** on the roles they can play as global citizens leading to positive changes in their communities. As we are in the midpoint in the implement action of the Sustainable Development Goals (SDGs), the emphasis for this year centres around fostering peace and its pivotal role. The chosen theme, "Actions for Peace: Our Ambition for the #GlobalGoals," serves as a resounding call to action, highlighting our individual and collective responsibility to actively nurture peace. By fostering peace, we make significant contributions towards the attainment of the SDGs, ultimately fostering a culture of peace that transcends borders and benefits all individuals.

## Guideline

Some suggested activities are **enclosed** with guideline to commemorate 'International Day of Peace 2024'. State Associations can adapt based on their local needs and situations.

## Involvement of State Associations:

Please nominate a suitable coordinator either MoP State/Local Coordinator to coordinate the activities of IDP-2024 and forward the contact details of assigned leaders to the Bharat Scouts and Guides, NHQ, New Delhi by 31st July 2024 so they can become part of our network.

## Reports (Share your Peace Actions):

One can also create more activities as per possibilities to create visibility of the organization, virtually/in field action on Peace to create a better world.

You are also requested to share your Peace activities through social media using the **#bsgindia #IDP2024 #MOP #MoPIndia**

For further assistance or support from our end, please do not hesitate to write us to email id [info@bsgindia.org](mailto:info@bsgindia.org)

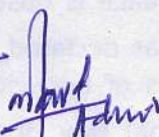

To ensure thorough documentation of all activities and analyze the impact of Scouts & Guides' contributions during the International Day of Peace (IDP) celebrations, two forms have been developed. The first form is designated for State Association to summarize all activities conducted nationwide during the IDP Celebration, whether at the unit or District or State level, and is exclusively for the MoP State Coordinator. The second form is intended for reporting each individual activity or event. The State Association can distribute this form to District and grassroots levels, enabling them to submit these reports to the state office.

A reporting proforma is attached. Please ensure that all project/s held in celebration of International Peace Day are well documented. **This form should be uploaded in the given link <https://forms.gle/ewZp6xZswDwauabC9> The link will be closed on 05<sup>th</sup> October 2024 at 11:59 P.M.**

Based on the reports received and the outcomes achieved, recognition will be given to the top three State and individual Scouts/Guides/Leaders for their impactful initiatives during the International Day celebrations.

Thanking you,

Yours in Scouting/Guiding,

  
  
02/07/2024
